Presentation remarks

Please keep in mind the following criteria when preparing your final presentation

1. Use Action Titles
Employ descriptive and engaging titles that convey action.

2. Date
Display the presentation date.

3. Consistency in Font Sizes
Ensure a uniform font size throughout the presentation.

4. Legible Font Sizes
Opt for font sizes that are easy to read for all audience members.

5. Page Numbers
Add page numbers for easy navigation and reference.

6. Clear Story and Structure
Develop a narrative that is cohesive and easily understandable.

7. Pose and Integrate Discussion Questions
Introduce thought-provoking questions and seamlessly integrate them into the presentation.

8. Attempt to Speak Freely
Practice delivering the presentation with a conversational and unrehearsed tone. Consider the time!

9. Utilize and Link Sources
Make use of sources and provide links at the bottom of the slides or at the end of your presentation.

Please make sure to upload your final presentations by July 17th, 2024, 11.59 p.m. on Moodle!
